## Description:

<p>This is a remake offshore playset from Permafros <br><a rel="nofollow" target="\_blank" href="http://storiesbypermafrost.com/products">http://storiesbypermafrost.com/products</a>  
<br>They say: <br>"Like proud parents, we think they deserve to be part of the real world, finding a place in the homes and lives of real people." <br>I think toys should be affordable, permafrost ask 575 euro for the complete set. a ridiculous price if you ask me. <br>I also skipped the drill platform to a windmill platform, to have a more ecological education for our children. <br>I add more items in the future <br>I hope you enjoy it.&nbsp;&nbsp; </p>

If you can, please use the online documentation found at <http://www.youmagine.com/designs/shipping-playset-3d-print-model> because those may have been updated. Also, there you can interact and provide praise and/or feedback.
